Supervisor Knabe made the following statement:

“Saluting people who are in recovery from alcohol and drug use disorders, as well as those who have helped them obtain treatment, helps to educate the community about the benefits of treatment and affirm the goal that all people with alcohol and drug use disorders should have access to treatment.

“To help achieve this goal, the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, Office of National Drug Control Policy and Southern California AWARE (*Always Working toward Advancing Recovery Environments*) Program invite all residents of Los Angeles County to participate in the local celebration of National Alcohol and Drug Addiction Recovery Month.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Burke, unanimously carried (Supervisor Antonovich being absent), the Board proclaimed September 2004 as “Alcohol and Drug Addiction Recovery Month” throughout Los Angeles County; and encouraged all residents to support this year's theme “Join the Voices for Recovery.”
